

THE LYGON ARMS

A WARM  
*woofy welcome*  
TO YOU!

Our four-legged visitors are most welcome at The Lygon Arms.

Explore and relax in the public areas and outdoor spaces (with exception of Grill restaurant and the Lygon Spa).

Dine in style with our dog menu available all day.

Dog treats are at hand throughout the hotel as well as water bowls and fresh water.

Our Concierge team can provide 'walkies' routes to make the most of your Cotswold adventure and our muddy paws station is located in the Courtyard, perfect for washing down in warm water on your return.

WE WISH YOU A PAW'SOME STAY

## DON'T BE IN THE DOG HOUSE!

The Lygon Arms prides itself on being a dog-friendly hotel. We simply ask that you respect the house rules as per our terms and conditions:

- Dogs are the full responsibility of their owners and should be well behaved.
- Dogs should be kept on a lead when in public areas.
- Dogs are not permitted on seats or sofas.
- To avoid barking and potential damage please do not leave your dog alone in the room, as this can cause unnecessary distress to your four-legged friend.
- Please use the sign in your room to make us aware that your dog is in the room. Our housekeeping team will not service your room when the dog is present.
- Breakfast, lunch, afternoon tea and dinner is served to our guests with dogs in the Russell Room.
- Dogs welcome aged one year and over.
- An excess charge may be applicable if your room requires deep cleaning or in the event of damage.

*Thank You*
